Allen Dulles Set To Speak In San Diego

Allen Dulles, former director of the Central Intelligence Agency, will be Law Day, U.S.A., speaker here this year.

He will address a luncheon sponsored by the San Diego County Bar Association at noon April 30. More than 400 persons are expected to attend.

Dulles was a member of the Warren Commission which investigated the assassination of President Kennedy. Last June he went to Mississippi as an emissary of President Johnson to investigate the disappearance of three civil rights workers who later were found dead.

Law Day, U.S.A., is sponsored by the American Bar Association to encourage rededication to the ideals of equality and justice under law by the American people and to cultivate respect for law. The place for the luncheon has not been selected.
